Amount Awarded: \$16,354.00

Grantee Contact: Mr. Michael W. Israel

Grantee Contact Phone Number: 209-223-6439

CalRecycle Grant manager: Mary Phongmany

Project Summary: Staff Salaries and office maintenance.

Statement of Use:

This application is for the 2007/08 LEA grant that provides supplemental funding for the operation of the LEA, specifically to enhance the permitting and enforcement activities of this Agency. This year, Amador Co. is eligible for one grant that totals an estimated \$16,300.00.

The goal of our solid waste program is to protect public health, safety and the environment with regard to solid waste facilities within Amador Co. The CIWMB is the grantor agency. The grant year extends from 7/1/07 to 6/30/08.

This grant provides supplemental funding to the county program for solid waste permitting and enforcement activities. All program activities are current mandates on the Co. to provide this level of service to the community in order that the public health and the environment are not adversely impacted by solid waste handling, storage or disposal practices. Amador co. Environmental Health intends to use the FY 2007-2008 LEA Grant funds for a portion of LEA staff and office maintenance.

Total Awarded for County:\$16,354.00

Butte County

Grantee: Butte County

Amount Awarded: \$18,725.00

Grantee Contact: Mr. Michael Huerta

Grantee Contact Phone Number: 530-538-5328

CalRecycle Grant manager: Mary Phongmany

Project Summary: Personnel, Transportation

Statement of Use:

Solid waste permit fees and landfill tonnage fees have been established to fund monthly landfill inspections. Fees are not adequate to fund additional staff hours necessary to continue program improvements including investigation of illegal landfills, participation in LEA and IWMB coordination, activities, program uniformity, meeting participation, regulation review/comment activities.

Fees are not adequate to fund general enforcement and related activities and to purchase all necessary program equipment.

Performance objectives of the program are to:

1. Meet all routine all special facility inspections as required of landfills, transfer stations, compost sites, vehicles and closed sites.
2. Continue and enhance the illegal activity enforcement program.
3. Continue active participation in LEA and IWMB activities as a means to improve uniformity and communications.
4. Provide enhanced cross training of personnel to increase the availability of staff familiar w/the program and to accept assigned duties.

Calaveras County

Grantee: Calaveras County

Amount Awarded: \$19,107.00

Grantee Contact: Mr. Paul Feriani

Grantee Contact Phone Number: 209-754-6691

CalRecycle Grant manager: Mary Phongmany

Project Summary: Vehicle, Cell phones, Radiation equipment calibration and Solid waste vehicle fuel/maintenance.

Statement of Use:

The LEA has used prior EA grants for training and to purchase/maintain equipment that supports the solid waste permit and inspection program. A vehicle is usually purchased every other year for LEA staff to use while conducting solid waste activities such as inspections, complaints and to attend solid waste training. On alternating years the grant is generally used to purchase health and safety equipment (protective clothing, cell phones/radios, radiation equipment, etc.), office equipment (computers, copy machine, furniture, etc.), vehicle maintenance (fuel, vehicle repair, etc.) and training (conferences, classes).

This years grant of approx. \$18,900 will be used to purchase a solid waste vehicle which will be used by the solid waste staff. If any grant monies are left over, they will be used for cell phones, radiation equipment calibration, and solid waste vehicle fuel/maintenance. The Calaveras County LEA staff and support staff have utilized the grant funds to supplement the program since the early 1990's. The funds are very much appreciated in this small rural County. Without these funds our job would be much more difficult.

Fresno County

Grantee: Fresno County

Amount Awarded: \$28,502.00

Grantee Contact: Mr. Tim L. Casagrande

Grantee Contact Phone Number: 559-445-3391

CalRecycle Grant manager: Mary Phongmany

Project Summary: digital camera, gas monitor, Rangerfinder, safety, surveillance, thermometer

Statement of Use:

The goal of the solid waste program is to promote compliance w/state and local regulations as it pertains to the collection, handling, storage and disposal of residential, commercial and industrial waste in an effort to protect the air, water, and land from pollution and to ensure public health, safety and the environment.

The Fresno Co. Dept. of Community Health, Environmental Health Division, purposes to utilize FY 2007-08 Enforcement Grant funds for the purpose of a four wheel drive sport utility vehicle. The vehicle will allow solid waste staff access to areas within solid waste facilities where access can be difficult due to stringent weather conditions and rough terrains. Remaining grant funds will be allocated for training to maintain program certification.

Total Awarded for County:\$28,502.00

Glenn County

Grantee: Glenn County

Amount Awarded: \$15,746.00

Grantee Contact: Mr. Donald J. Holm

Grantee Contact Phone Number: 530-934-6102

CalRecycle Grant manager: Mary Phongmany

Project Summary: Equipment, Training, Professional and Consulting Service and Staff.

Statement of Use

The enforcement assistance grant will be utilized to directly support the Glenn County Landfill, three composting operations, closed sites and other solid waste activities. The grant funds will be maintained in a separate account within the Glenn County Health Services Department budget, as required in the Enforcement Assistance Grants Program Financial Control Mechanisms document. Expenditures will be divided into three categories:

Equipment:

This budget will be expended to supply the enforcement program with monitoring and safety equipment and supplies as needed.

Training:

The training budget includes tuition and per diem for two staff members. We plan to attend training programs sponsored by CIWMB as well as appropriate courses offered by other agencies and intuitions .

The training budget will be expended over the course of the year as training programs become available.

Professional and Consulting Service:

These services will be used to maintain routine landfill and closed facility inspections at the required frequency. These services may also be required to assist in preparing and revising solid waste facility permits.

Unexpended funds:

Unexpended funds will used to pay for LEA staff salaries.

Performance Objectives :

In addition to the goals and objectives listed in Section IV of the Glenn County EPP we plan to utilize the grant funds to meet each of the following objectives:

- 1) Meet the required inspection frequency for each solid waste facility.
- 2) Allow staff to attend training in solid waste enforcement as opportunity arises.
- 3) To meet the statutory and regulatory time requirements for processing solid waste facility permits, permit reviews and closure /post-closure documents.

Humboldt County

Grantee: Humboldt County

Amount Awarded: \$18,654.00

Grantee Contact: Ms. Carolyn Hawkins

Grantee Contact Phone Number: 707-268-2215

CalRecycle Grant manager: Mary Phongmany

Project Summary: Personnel

Statement of Use:

The Humboldt Co. Dept. of Health and Human Services Environmental Health Division is the LEA for the incorporated and unincorporated areas of Humboldt Co. certified by the CIWMB. The goal of our solid waste program is to protect public health, safety and the environment with regard to solid waste operations and facilities within our jurisdiction. The LEA program carries out the solid waste facility permitting and inspection activities mandated by state law (Public Resources Code sect. 40000 et seq). The LEA program is also responsible for enforcing and implementing local solid waste ordinances and resolutions.

The CIWMB has announced that the jurisdiction of Humboldt Co. is eligible for a grant award of approx. \$18,500 to supplement our existing LEA program budget. Funding for the LEA program is derived from LEA landfill tipping fees (currently at \$1.93/ton, expected to increase to \$2.46/ton), solid waste facility/operation inspection fees, (\$131.00 per hour), and permit/project review fees (\$131.00 per hour).

The Humboldt Co. Division of Environmental Health intends to use FY 2007-2008 LEA Grant Funds to augment local sources of funding, to provide staff salaries, staff training and travel costs. The LEA oversees 65 active solid waste sites (operations, facilities, closed MSW landfills and burn dumps) and numerous nuisance dumpsites.

Imperial County

Grantee: Imperial County

Amount Awarded: \$23,216.00

Grantee Contact: Mr. Jeff Lamoure

Grantee Contact Phone Number: 760-336-8530

CalRecycle Grant manager: Mary Phongmany

Project Summary: Statement of use: The Imperial county Environmental Health Services` Local Enforcement Agency (LEA) has allocated 10% or \$2,290.00 of the total grant award towards administrative costs. Vehicle costs such as fuel, maintenance, replacement costs and insurance continues to fluctuate. The LEA has allocated \$2,400.00 towards a portion of the overall maintenance costs. Also, an additional \$2,000.00 will be allocated towards offsetting replacement costs of one staff vehicle this grant cycle with a more environmentally friendly and fuel efficient vehicle such as Ford Escape Hybrid. Since we operate throughout the jurisdiction of the County of Imperial we have dead zones as it relates to cell phones. We have upgraded several cell phones to combination radios. The annual cost of operating these various communications devices amounts to approximately \$1,020. The LEA has allocated \$3,000.00 towards continued training/education. The training would include a combination of venues, such as meetings, conferences, roundtable events, etc. The LEA will be updating its methane gas detection equipment with a RKI's GX-2003 gas monitor or comparable unit. The LEA has budgeted \$3000.00 towards gas monitoring equipment and \$275.00 towards updating and or replacing staff's health and safety equipment. The solid waste program regularly uses office paper. In an effort to be a better environmental steward, the LEA will purchase office paper, which contains 30% or greater or recycled content. We have allocated \$567.00 for this purpose.

Amount Awarded: \$15,565.00

Grantee Contact: Ms. Shirley Coggin

Grantee Contact Phone Number: 530-993-6701

CalRecycle Grant manager: Mary Phongmany

Project Summary: Personnel.

Statement of Need:

Sierra Co. currently operates five solid waste disposal facilities which are located throughout an area covering approx. 1,000 sq. mi. The LEA is charged w/the responsibility to "...assure that solid, liquid, and hazardous wastes are collected, treated, handled, and reclaimed or recycled in such a manner as to prevent the spread of or pollution of waters, the creation of nuisances of safety hazards, and the environmental degradation of any kind." (Sierra Co. Health Services Plea, 1994/95).

As a contract county, Sierra Co. has available the services of a .60 FTE sanitarian to accomplish all the duties encompassed by the environmental health plan in addition to the tasks directly related to landfill permit and inspection. Clearly, the sanitarian's time available to accomplish the stated goals is insufficient.

Accordingly, funds requested through the EA grant program will be utilized as outlined in the budget of the application.
